

Four Reasons to Advertise with Us.

1

Not only do your ad dollars benefit your business, but they also go a long way in helping us to fund our concerts and keep classical music alive in the mid-Hudson valley.

2

Our audiences are growing so more people are seeing your ad. **During the 2025/2026 season more than 2500 people have attended our concerts.**

3

Our mature and sophisticated concertgoers truly enjoy the arts and appreciate local businesses that support the arts in their local communities.

4

The core of our audience is from northern Dutchess County with many other patrons from southern Dutchess, Ulster, Orange and Putnam counties – and beyond.
