Play Your Part—Volunteer for NDSO

The Northern Dutchess Symphony Orchestra has succeeded through the efforts of our volunteers. We salute all the hard-working and dedicated volunteers who have provided extraordinary service and support throughout our concert seasons in the last 18 years.

However, we can always use a little more help. We are looking for people who are willing to:

- usher at concerts or help at the lobby information table.
- help with publicity by distributing posters and postcards to local businesses and other public venues.
- sponsor, host, or help with a fundraising event.
- join the Friends of NDSO group to help support and promote the growth of the orchestra.
- join the Board of Directors. We are looking for board members with time and energy for active participation who will help us reach our goals.

For more information, please contact Dave Baxter at 845-635-0877 or info@ndsorchestra.org.

Join our Friends Group

Help support and promote growth of the Northern Dutchess Symphony Orchestra (NDSO) by joining Friends of NDSO for only \$35 per person (\$30 per person if you sign up before 9/30) for the 2024/2025 season. This is a social and fundraising group of individuals who are passionate about supporting the arts in the Hudson Valley.

For more information, visit www.ndsorchestra.org/friends

Our concert season is made possible, in part, through funding from the County of Dutchess and Dutchess Tourism, which is administered by Arts Mid-Hudson and by the New York State Council on the Arts with the support of the Office of the Governor and the New York State Legislature.

Support Local Music

Ticket sales alone do not cover our operating costs or fund our educational programs. NDSO is a not-for-profit 501(c)(3) performing arts organization with very low administrative costs.

If you love what we do and want to help support local music within the community, we offer different ways to support us, including donations, business ads in our season program, corporate partnership, and stock donations. Be assured your gift will be the most effective means of helping your community enjoy the cultural benefits of live orchestral music.
