Join the NDSO Friends 2026/2027 Membership Now for the Early Bird Special —$40.00 per person

Friends of Northern Dutchess Symphony Orchestra (Friends of NDSO) is a group of individuals who are passionate about supporting the arts throughout the Hudson Valley, organized to support and promote the growth of Northern Dutchess Symphony Orchestra.

The role of Friends of NDSO is to be ambassadors for NDSO by encouraging others to attend concerts and other orchestra social activities, as well as fundraising. Working in close partnership with the NDSO Board of Directors, Friends of NDSO helps to bring the excitement of our concerts and social events to the entire Hudson Valley community.

Membership Benefits Include:

1. Purchase a 2026/2027 Season Subscription and receive one complimentary ticket to bring a friend. Ticket is good for any regular 2026/2027 season concert. Sales open late summer.
2. Opportunities to help the orchestra at concerts or other events and activities.
3. Invitations to special events throughout the 2026/2027 concert season, including planned open rehearsals for some of our concerts.
4. Friends Group committees! Our membership and events committees are forming now. For more information, ask Jen Henion at a concert or email her at jenhenion@yahoo.com.
